THE PROOF IS ON THE PLATE

Pecan pie made with Karo® Corn Syrup

Pecan pie made with another corn syrup brand

DESIRABLE TEXTURES: Karo gives baked goods a chewy texture, holds more moisture and maintains freshness longer.

BALANCED FLAVOR: Consistently leaves a balanced sweetness that lets the true flavors of other ingredients shine through.

THE PROOF IS ON THE PLATE: Pecan pies made with competitors products showed signs of weeping in just 3 hours after slicing. Pies made with Karo Syrup barely wept 3 days later! This means less waste for operators and better appetite appeal for patrons.
